Connecting With Employers: Making The Most of A Job Fair

Winner of the NACE 1999 Award of Excellence for audiovisual programs, this fast-paced, professionally produced video is the choice for orienting students in preparation for Job Fairs. Created by the Central Pennsylvania Employment Consortium in 1997, this informative eight-minute piece guides students through the stages of preparation, communication and follow-up. Comments from employers and students are interspersed throughout the tape. Solid information, combined with sharp graphics and high-quality videography, will make a positive impact on your students.
